FOR IMMEDIATE RELEASE

All Southbound Lanes of Vincent Thomas Bridge (State Route 47) Closed Saturday from 5:30 a.m. to 3:30 p.m. in Los Angeles

Ten-Hour Closure for Bridge Maintenance – Will NOT Affect Northbound Lanes

LOS ANGELES — The California Department of Transportation (Caltrans) advises motorists that all southbound lanes of State Route 47 at the Vincent Thomas Bridge in Los Angeles are scheduled to be closed Saturday, March 3, between 5:30 a.m. and 3:30 p.m. for bridge maintenance.

All three southbound lanes will be closed from Ferry Street to Harbor Boulevard. The northbound lanes will remain open.

The schedule is weather-permitting and subject to change. The closure is necessary while Caltrans performs bridge maintenance. Detour signs will be posted.

Drivers should plan accordingly. Motorists may use State Route 1 (Pacific Coast Highway) as an alternate route.

Caltrans reminds drivers to “Be Work Zone Alert” and “Slow for the Cone Zone.”
